TRISTYN WILLIAMS (21) Senior Momentum Ambassador

“Café Momentum has offered me a life-changing support system and opportunities I never thought possible. Because they believed in me, I now believe in myself,” said Tristyn, Senior Momentum Ambassador. “My goal is to be a positive role model to other young people who may have faced similar adversity in their life and inspire them to love themselves and follow their dreams because all youth deserve to dream and feel loved at the same time. I am grateful for organizations like Café Momentum and Stand Together Foundation and the opportunity to be at the Super Bowl to help create change for youth justice.”
