

# ALL YOUTH DESERVE TO DREAM

**Café Momentum is an acclaimed and nationally-recognized nonprofit restaurant and professional training program.**

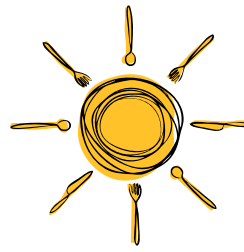

We believe all youth deserve to dream without limits. Through our restaurants, we help justice-involved youth, ages 15-19, build pathways out of incarceration by creating a space where they can realize their full potential.

**THE AVERAGE STATE COST FOR THE SECURE CONFINEMENT OF A YOUNG PERSON IS \$588 PER DAY OR \$214,620 PER YEAR.**

Black youth are 5x more likely to be incarcerated than white youth, Native American youth are 3.2x more likely to be incarcerated than white youth, and Latino youth are 2x more likely to be incarcerated than white youth.
